Prof Hongyang Chen
Zhejiang Lab, China
Hangzhou Institute for Advanced Study
The University of Chinese Academy of Sciences
China

Prof Hongyang Chen received the Ph.D. degree from The University of Tokyo, Tokyo, Japan, in 2011. From 2011 to 2020, he was a Researcher with Fujitsu Ltd., Tokyo, Japan. He is currently a Senior Research Expert with Zhejiang Lab, China. He has authored or co-authored 100+ refereed journal and conference papers in the IEEE TSP, JSAC, TMC, WWWJ, TIFS, TCOM and has been granted 20+ PCT patents. His research interests include data-driven intelligent systems, graph machine learning, big data mining, and intelligent computing. He was the Editor of the IEEE Journals and a Symposium Chair or Special Session Organizer for some flagship conferences. He was a leading Guest Editor of the IEEE Journal on Selected Topics of Signal Processing on tensor decomposition. Currently, he is an Associate Editor for the IEEE Internet Of Things Journal. He has been selected as the Distinguished Lecturer of the IEEE Communication Society from 2021 to 2022.

Prof Charles Korede Ayo
Pioneer Vice-Chancellor of Trinity University
Yaba, Lagos

Charles Korede Ayo is a Professor of Computing. He holds a B.Sc, M.Sc, and Ph.D in Computer Science. He was the Vice-Chancellor of Covenant University, Ota, between 2012 and 2016.

His research interests include: Mobile computing, Internet programming, e-Business, e-Government and Software Engineering. He is a Member of the Nigerian Computer Society (MNCS) and the Computer Professionals (Registration Council) of Nigeria (MCPN), and a Fellow of the African Scientific Institute (FASI) amongst others. Prof. Ayo is a member of a number of international research bodies such as the Centre for Business Information, Organization and Process Management (BIOPoM), University of Westminster, London; the Review Committee of the European Conference on E-Government (ECEG); the programme committee, IADIS Information Systems; the Editorial Board, Journal of Information and Communication Technology for Human Development (IJICTHD), the Editorial Board, International Journal of Scientific Research in Education (IJSRE) and the Editorial Board, African Journal of Business Management amongst others.

Prof Ender Ayanoglu
Department of Electrical Engineering and Computer Science
University of California, Irvine

Prof Ender Ayanoglu received the Ph.D. degree in electrical engineering from Stanford University, Stanford, CA, USA, in 1986. He was with the Bell Labs Corporate Systems Research Laboratory, Holmdel, NJ, USA. From 1999 to 2002, he was a Professor with the Department of Electrical Engineering and Computer Science, University of California at Irvine, Irvine, CA, USA, where he was the Director of the Center for Pervasive Communications and Computing. He was a recipient of the IEEE Communications Society Stephen O. Rice Prize Paper Award in 1995 and the IEEE Communications Society Paper Award in 1997. He received the IEEE Communications Society Communication Theory Committee Outstanding Service Award in 2014. From 2000 to 2001, he served as the Founding Executive Committee of the IEEE-ISTO Broadband Wireless Internet Forum, an industry standards organization. He served as its Chair from 1999 to 2002. From 1993 to 2014, he was an Editor of the IEEE Transactions on Communications. He served as the Editor-in-Chief for the IEEE Transactions on Communications-Series on Green Communications and Networking from 2014 to 2016. He was the Founding Editor-in-Chief of the IEEE Transactions on Communications and Networking from 2016 to 2020. He is an IEEE Communications Society Lecturer from 2022 to 2023. He has been an IEEE Fellow since 1998.
